

The multi-disciplinary team of the unit consists of a broad range of professional staff with experience in stroke rehabilitation.

SERVICES PROVIDED:

- **SPEECH & LANGUAGE THERAPY**
- **PHYSIOTHERAPY**
- **PSYCHOLOGY**
- **OCCUPATIONAL THERAPY**
- **NURSING**
- **MEDICAL**

The Stroke Rehabilitation Unit is a service of the East Coast Area Health Board and is open to any adult who has had a stroke. Clients can avail of one or more services.

The unit accepts both medical and non-medical card holders. A limited transport service is available.

Referral forms are available directly from the unit. Relevant discharge reports, CT reports etc. should accompany completed forms. Each application will be assessed on an individual basis, and appropriate therapy given.
